FOOD ASSISTANCE WILL BE MOVING BACK INSIDE

Please come to the front door, take a number at the first counter and wait for a volunteer receptionist to call your number.

You will then present your ID (and proof of current address if ID is not accurate) and go through an intake process (similar to the one we currently use).

Then you can drive around to the double doors to receive your food.

9am-12pm

(please arrive by 11:45am for food assistance)

If you have questions, please call us at 864-671-1134
